INVITATION

The International Workshops on Nonlinear Optics Applications have been organised since 1992 by the Institute of Physics at the Warsaw University of Technology and the Institute of Physics at the Technical University of Szczecin.

The purpose of the Workshop is to provide a forum for both senior and young scientists from different countries to present and discuss current research problems. The Workshop will deal with experimental and theoretical aspects of nonlinear optics applications, including nonlinear guided wave optics, optical solitons, optical bistability, nonlinear optical materials.

Scientific Programme

The scientific sessions will start at 9 a.m., Friday, September 6th. The NOA 2002 will end on Sunday afternoon, September 8th. The program will consist of invited lectures and contributed communications.

Location and accommodation

The Workshop will take place in a beautiful town Łukęcin in the Baltic seaside ca 120 km from Szczecin and Berlin. Participants will be accommodated at hotel in single and double rooms (all rooms have bathrooms). Participants are invited to arrive on Thursday, September 5th and stay until Sunday, September 8th.

Registration

The cost of participation is 800 PLN (250 EURO). It includes the book of abstracts, full board and lodging for the period from Thursday (5.09) evening till Sunday (8.09) afternoon.

The confirmation of attendance (application form) as well as the abstract (summing up) of your report not more than 1 page A4, together with the disc (text edited in MSWord) should be sent by **15 July** at the address of the workshop secretary. The texts of the reports should be delivered to the secretary of the workshop on the day of the beginning of the workshop - original and a copy.

The money should be sent by **15 July** onto our bank account: Politechnika Szczecińska

Bank: Bank Zachodni WBK S.A. III O/Szczecin

Account No: 02 1090 1492 0000 0000 4903 0242

With the remark: NOA 2002
