Classes #10: Project II

- The Final Mark is based on:

  - PRESENTATION

    + clearly presented points from previous slide (2p)

    (reminder of the topic of the project, list of accomplished tasks,

      screenshots showing how the application works, to-do list)

  - CODE

    + clarity of the code (comments, naming convention, etc..) (1p)

    + advancement of the project (4p)

    + working prototype (3p)

    = TOTAL 10 points
