

The logo is a circular emblem with a light green border. Inside, there is a stylized green mountain range. On the left, a green silhouette of a Chechen warrior in traditional dress stands on a hill. To the right of the mountains is a solid green circle representing the sun or moon. The text "Ru**ism in" is written in black, with a lightning bolt symbol replacing the 'l' in "Russia". Below this, the word "CHECHNYA" is written in large, bold, green capital letters. Each letter of "CHECHNYA" contains a horizontal red and white striped pattern, resembling the Chechen flag. At the bottom of the emblem, the text "Terror - Torture - Death" and "200,000 murdered" is written in black, flanked by white star-like symbols.
